Tearing off a small piece of the loaf of bread, dipping it in the communion glass of juice, and then consuming it immediately. ## FOCUS on Local Needs

Beginning this year, FOCUS will be dedicated to spending every two months better understanding and meeting the needs of our local ministries here in Georgetown, KY. January - February, our ministry focus has been on the **Gathering Place**, a homeless shelter for men. During the months of March and April, our focus will be on AMEN House.

An immediate way that you can be involved in serving this local ministry and our community members it serves, would be through donating any amount of your time during the week. Monday through Friday, 9 am - 12 noon volunteering to help at their physical site stocking shelves with food, or sorting clothing items that have been given to their clothing bank.

**Reflection:** What is one new thing you believe God spoke to you today as a result of worshipping at FOCUS?

What is your **next step** upon hearing God's Word? We would like to encourage you to spend time this week prayerfully journaling what Jesus would be saying to you. Remove as many distractions as possible, and actively listen to the Holy Spirit. Spend intentional time considering Jesus' love for you. Ask yourself, has there been a time in the past when you were more passionately in love with Jesus? If there was, repent, and turn back to what you used to do that caused you to be so in love with Him.

**Challenge:** This week I will pray for following local business:
