

Communion at FOCUS

Every Sunday at FOCUS we celebrate the Lord's Table, also known as Communion. We have open communion which means all are invited to receive. We receive communion elements by intinction. Tearing off a small piece of the loaf of bread, dipping it in the communion glass of juice, and then consuming it immediately. Please note, upon your request, we also have gluten free elements for those with gluten and other major food allergies.

FOCUS on Local Needs

Beginning this year, FOCUS will be dedicated to spending every two months better understanding and meeting the needs of our local ministries here in Georgetown, KY. January - February, our ministry focus has been on the **Gathering Place**, a homeless shelter for men. During the months of March and April, our focus will be on AMEN House.

An immediate way that you can be involved in serving this local ministry and our community members it serves, would be through donating any amount of your time during the week. Monday through Friday, 9 am - 12 noon volunteering to help at their physical site stocking shelves with food, or sorting clothing items that have been given to their clothing bank.

The AMEN House is located at;
319 E Main St B, Georgetown, KY 40324

Reflection: What is one new thing you believe God spoke to you today as a result of worshipping at FOCUS?

The Word of God directs us as we consider what the **next step** is for our lives. What is your reputation worth to you? Are you willing to spend an eternity apart from God for the sake of fooling people with the way that you live? If you could have the help and power of the Holy Spirit to change one thing about yourself, what would that be? If you are caught in habitual sin, who do you need to reach out to this week to help keep you accountable to the changes you are going to make?

Challenge: This week I will pray for following local life-giving churches:
