

FOCUS on... Local Needs

During the months of May and June, our ministry focus is on the **Not Alone Pregnancy Center**. The **Not Alone Pregnancy Center** is a ministry in the heart of Scott County to encourage pro-life decisions. They are a non-profit, non judgmental, Christian organization offering compassion and ministering to women and their families experiencing an unplanned pregnancy.

An immediate way that you can be involved in serving this local ministry and our community members it serves, would be through donating change in the baby bottles that we will be provided by the center, filling them with change and then they will be returned to the center on Father's Day June 18.

Reflection: What is one new thing you believe God spoke to you today as a result of worshipping at FOCUS?

The Word of God directs us as we consider what the **next step** is for our lives. Do you believe that the Church has something marvelous and special to offer the world? What would it take for you to see people with the eyes of Jesus to a greater level? Do you currently view people with worth and dignity as God's prized creation?

Challenge: This week I will pray for following family in our community:

Communion at FOCUS

Every Sunday at FOCUS we celebrate the Lord's Table, also known as Communion. We have open communion which means all are invited to receive. We receive communion elements by intinction. Tearing off a small piece of the loaf of bread, dipping it in the communion glass of juice, and then consuming it immediately. Please note, upon your request, we also have gluten free elements for those with gluten and other major food allergies.

Special Offering for Uganda Famine Relief

Uganda has experienced a severe famine over the past 6 months, and our ministry partners have asked for us to pray and help in any way that we are able. Thanks for any help you can give. Make your check out to "FOCUS on Uganda" and mail to, Linda Griffith, 3820 Cynthia Rd., Georgetown, KY 40324. This is a tax deductible donation.
