

# FOCUS on... Local Needs

During the months of May and June, our ministry focus is on the **Not Alone Pregnancy Center**. The **Not Alone Pregnancy Center** is a ministry in the heart of Scott County to encourage pro-life decisions. They are a non-profit, non judgmental, Christian organization offering compassion and ministering to women and their families experiencing an unplanned pregnancy.

An immediate way that you can be involved in serving this local ministry and our community members it serves, would be through donating change in the baby bottles that we will be provided by the center, filling them with change and then they will be returned to the center on Father's Day June 18.

**The Not Alone Pregnancy Center is located at;  
102 East Main Street, Suite 101,  
Georgetown, KY  
(502) 863-1616**

**2) The more and more mindset  
makes room for just \_\_\_\_\_  
\_\_\_\_\_.**

**3) The more and more mindset sees

\_\_\_\_\_.**

Acts 1:8

**Reflection:** What is one new thing you believe God spoke to you today as a result of worshipping at FOCUS?

---

---

The Word of God directs us as we consider what the **next step** is for our lives. Do you tend to have a scarcity mindset or an abundance mindset? What might the Holy Spirit be calling you to give up in order to pursue Him and His plan for every area of your life, allowing Him to have complete control?

Have you ever considered what the world would be like without the Church? What actions steps is the Lord calling you to make in order to continue to multiply His Church, the Bride of Christ?

**Challenge:** This week I will pray for following unsaved friend or family member:

Please note, upon your request, we also have gluten free elements for those with gluten and other major food allergies.
